

# K Company Tryout Document

Latest Version: 1/27/2026

## Introduction

**This is the K Company Tryout document. You, as a K-Company Officer (KCO+), are expected to read, follow, and utilize this document throughout the entirety of the tryout. There are no strikes to this tryout however, you as the host are responsible for keeping any mingy and unwanted behavior out. If any signs of favoritism are shown throughout the course of this tryout, there will also be subsequent consequences to follow. Should you have any questions about how the tryout is to be conducted, or how to host them in general, feel free to direct them towards any other K Company Captain and let them shadow you while you host.**

## Color Codes

---

- **green** text you will read aloud to the trainee.
  - **Red** Text is information that you will need; Do not read aloud.
  - **Blue** Text is important information (adverts, droid numbers, etc.)
- 

## Setup

Prior to conducting tryouts, a checklist provided below is required to follow for adequately setting up and preparing to conduct tryouts:

### In Game:

- Claim the RFOB, as the tryouts will be conducted there.  
**/advert K Company Claims RFOB AOS/KOS on unauthorized access.**  
Maintain claim (Every 15 minutes)  
**/advert K Company maintains claim on RFOB AOS/KOS.**
- Candidates are to start outside RFOB on the west wall.
- You will need one Helper.

The following excerpt has been provided for you to read to the candidates in preparation for the tryout:

**"Welcome to K Company Tryouts. This tryout runs on a 2 strike system if you receive 2 strikes you will fail and be dismissed. Should you fail, there is a 3 Hour cooldown on when you may try out again and you are encouraged to do so. From this point on, PTS is active for the duration of the tryout. Best of luck (PTS is not mandatory) . This first phase before becoming a full trooper is questions, this is all open book, and I will send a link if you need clarification."**

---

## Phase 1: Questions

---

**This next portion is questions you only need to ask 5 Company questions. No strikes will be given in this phase.**

**K-Company Lore - ([K Company Lore](#))**

**All questions are open book.**

**Q: How many soldiers did K Company consist of?**

**A: 144 clone troopers with added support personnel**

**A: Four(4) Platoons**

**Q: What was their first battle and their mission in that battle**

**A: K Company(and hawkbat battalion) were ordered to march toward a column of separatist spider droids.**

**Commander Deviss Lore - ([Deviss Lore Questions](#))**

**All questions are open book.**

**Q: Who was leading KC and what was his rank?**

**A: Clone Captain Deviss [Commander Deviss is also acceptable]**

**Q: Name 3 major operations that Captain Deviss attended?**

**A: First Battle of Geonosis, Battle of Cato Neimoidia and Battle of Altyr V**

**Q: What happened to Captain Deviss after the Battle of Geonosis?**

**A: Deviss was awarded a medal for his actions and was given a new command after the battle's end.**

**Q: What did Commander Deviss do when Order 66 was initiated?**

**A: He executed the order and killed his Jedi General.**

---

## Phase 2: Reconnaissance

---

**"Welcome trainee(s) to the second portion of this tryout, We have intel that one of our Captain's were taken hostage and is now at Recon FOB. Your job is to conduct a SALUTE Report without being seen then report back to me."**

**There is no time limit, however, you may put a timer with a minimum of 3 minutes.**

**If they are spotted that will be 1/2 of a strike**

**Every 5 Dorids they miss is 1/2 of a strike (The Droids inside don't count)**

**Host: Have a Helper or yourself as the Captain inside RFOB | @ Requesting to be no-targeted.**

**For High Server POP**

**Towers: 2x B1 Droids each tower | Carrying E5 Blaster | Weapon Difficulty Normal | NPC Health 1500**

**Courtyard: 8x B1 Droids | Carrying E5 Blaster | Weapon Difficulty Normal | NPC Health 1500**

**Inside Main Lobby: 4x B1 Droids inside the main lobby | Carrying E5 Blaster | Weapon Difficulty Normal | NPC Health 1500**

**For Low Server POP**

**Towers: 3x B1 Droids each tower | Carrying E5 Blaster | Weapon Difficulty Normal | NPC Health 1000**

**Courtyard: 12x B1 Droids | Carrying E5 Blaster | Weapon Difficulty Normal | NPC Health 1000**

**Inside Main Lobby: 6x B1 Droids inside the main lobby | Carrying E5 Blaster | Weapon Difficulty Normal | NPC Health 1000**

---

## Phase 3: Operation

---

**"Welcome trainee(s) to the third portion of this tryout, our reconnaissance unit gave K Company Command intel that suggests that one of our captains is inside the FOB and we must recover him, the base is filled with CIS B1 Droids. It is up to you to discuss a plan on how to rescue our captain.**

**You're looking for good communication, the way they approach is completely up to them.**

**If they die it is 1.5 strike each time**

**If they kill the Captain it is an automatic failure**

**"Trainee, with your briefing and execution, you may proceed to use the weapons provided in loadout. Once you reach the captain from the inside comms into this radio channel"**

**/comms {KC} Report In.**

**You'll be monitoring the communications, leadership, and combat of the candidate, using your best judgement for this portion.**

---

## Phase 4: Engineering

---

**"Welcome trainee(s) to the fourth portion of this tryout, The base Generator has not undergone routine maintenance in some time, you are assigned to repair the generator from code yellow. DO NOT PRESS THE GENERATOR POWER BUTTON!!! You will use "/me" to do your repairs you may start when ready.**

**If they press the generator power button it is an automatic failure**

---

## Conclusion

---

If the candidate has made it this far they have passed.

Congratulate them on passing their K Company tryout and go over the following information and processes with them:

- Change your name to the following format:
    - KC [Certs/SD] [Rank] [Name]
  - Make a role request in the #role-request-channel in discord.
    - You must request the @327th: K Company role.
  - Give them the following links.
    - K Company Handbook
    - JDU Handbook - Go over this doc with them and ask them if they have questions.
  - You now have access to the following certs and privileges:
    - KC Sapper Dupe (if Sapper Squad)
  - Finally do these final 2 things.
    - All-in-One Form Productivity
    - Make Roster Request in #327th-global-request to get them on the roster.
-
