- **Follow etiquette, if a Jedi is fighting a Sith do not intervene.**
- **Once Temple Code Yellow is called all K Company will report to the Temple entrance and set up a defensive perimeter with the other JDU.**

☬ **Tactics and Formations** ☬

Sword and Shield

Sword and Shield are when a Jedi blocks enemy fire while being in front of a Clone, allowing them to advance with cover. This technique allows for cover in tight hallways where cover may not be available and pushing forward is critical.

Duel Perimeter

In this formation, clones will set up a perimeter around a duel that is happening between a Jedi and a Sith. This formation will have you surrounding the dual in a circle,The formation is meant to keep the Sith fighting the Jedi.
